

# PAGANI PURO PROGRAM

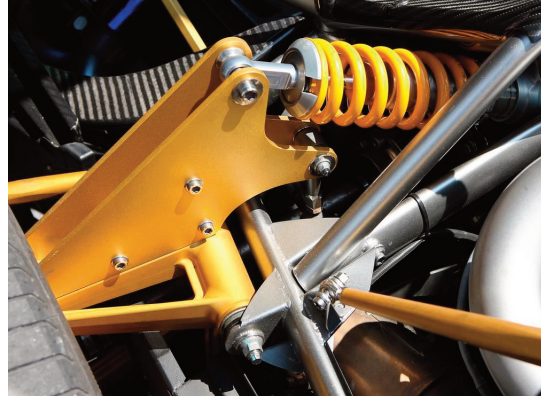

## Introduction

- Pagani cars are created from an inimitable combination of genius and flair that makes each model a genuine work of art.
- The Pagani Puro Program is specifically designed to safeguard your investment by certifying the essence and originality of the Pagani vehicle you have purchased and enhancing its value over time. In this way, you can savor the pleasure of possessing a true gem that is unique, timeless and always perfect. A pleasure that is absolutely pure.

## Pagani Puro

- The high-profile Pagani Puro Program is designed for all Pagani customers who wish to treat their car to the same level of attention they would lavish on any other collectible. With both a **Certification of Authenticity** and a **Warranty Extension**, it conserves and safeguards the vehicle's essence thanks to the meticulous intervention of highly specialized, certified technicians.
- **Certification** guarantees an in-depth examination of the condition and authenticity of the vehicle's components
- **Warranty Extension** offers ultimate protection for safeguarding its value as well as constant ordinary maintenance activities that ensure that all the customer has to do is enjoy the luxury of a perfect vehicle
- The Pagani Puro Program certifies the authenticity and condition of each individual component through a meticulous inspection that includes over 400 checks.

## Warranty Extension

- Any Pagani vehicle can apply for Certification of Authenticity
- Coverage can be extended until the vehicle is 12 years old.
- This 360-degree protection service preserves the essence and originality of every Pagani vehicle, leaving owners to enjoy the pure pleasure of driving these timeless works of art while keeping their value intact.

## Specialized, Certified Technicians

- Outstanding skills and techniques can only be achieved through high level training, constant updates and continuous practice. This is why all Pagani technicians are the world's most authoritative professionals in their individual sectors. They have all been trained directly at the company headquarters in San Cesario, and are only authorized to work on the Pagani Puro Program after they have completed a specific training course to ensure they operate on vehicles with the utmost specialized skill.
- These experts are the only people authorized to certify the authenticity of a Pagani model and they work in close contact with project managers to guarantee customers the best possible service. As a further guarantee of exclusivity, each certificate is also subject to a final inspection by the Pagani Puro Program manager.
